

Creating a Mobile Moodle

Three Steps:-

There are three steps to going Mobile with Moodle

- First access the Google Play (Android user) or iTunes (IOS user)
- Install the App
- Open the App.

Adding the URL, Username and Password:-

The Url you need to add is <http://elitemoodle.org>

Username:- Same as on Elite Moodle

Password:- Same as on Elite Moodle

Follow the instructions.

Happy Mobile Moodling.....
